**ANNUAL REPORT ON THE STATUS OF THE PROGRAM FOR  
ENVIRONMENTALLY-THEMED PRODUCTS TO SUPPORT THE ENVIRONMENT  
ESTABLISHED UNDER §195D-5.5, HAWAII REVISED STATUTES**

**PURPOSE**

Act 186, Session Laws of Hawaii (SLH) 2002, amended the State Endangered Species Act, Chapter 195D, Hawaii Revised Statutes (HRS), to establish a program to financially benefit the environment by the development of environmentally-themed products such as collectible stamps, credit cards, and coins to be sold to the public. One of the provisions of Act 186, SLH 2002, now §195D-5.5(d), HRS, requires that an annual report be prepared by the Department of Land and Natural Resources of the Program's products, costs, and revenues, to be submitted to the legislature no later than twenty days before the convening of each regular session. This Annual Report is submitted to fulfill the reporting requirement for the period July 1, 2003-June 30, 2004 (Fiscal Year 2004).

**FINDINGS**

There was relatively little activity for environmentally-themed products during Fiscal Year 2004. No products were developed during the Fiscal Year. Proceeds totaling \$100 for the 2003 Year of the Hawaiian Forest Calendar were collected by the Department, and deposited into the Endangered Species Trust Fund, (S-03-324). These funds will be made available for projects to manage watersheds and native forests.
